

## REMARKS

The Notice of Non-Compliant Amendment mailed on May 18, 2006 indicated that claim 65 was not present in the listing of claims in the "Amendment in Response to Office Action of February 10, 2006" filed May 10, 2006. Applicants have reviewed the Amendment filed on May 10, 2006 and have discovered that while claim 65 is present, it does not begin on a new line. Instead, claim 65 immediately follows the end of claim 64. Accordingly, Applicants are submitting a new listing of claims which is identical to listing of claims in the Amendment filed on May 10, 2006 except that claim 65 has been moved so that it begins on a new line. Also, Applicants request that the Remarks in the Amendment of May 10, 2006 be considered to avoid duplication of the remarks in this paper.

It is believed that no fees are due with this reply. However, if any fees should be required, the Commissioner is authorized to charge our Deposit Account No. 50/1039.
